

CPR - First Aid – MIOSHA Grant Funded Workshops!

This training is being funded in part by a MIOSHA CET Grant

Wednesday, January 9, 2019

Instructor: Dr. John Ball, Ph.D., Professor of Forestry, South Dakota State University, E.M.T., American Heart Association BLS Instructor

Every crew that leaves your shop should have at least one person certified in CPR/ First Aid. You can never be too prepared for an accident! Information provided in this workshop may save an employee's life in a potentially serious work situation. This CPR class follows the American Heart Associations guidelines and falls under the title of "Heart Saver Course". All participants of this class will receive an "American Heart Association" Heart Saver Card valid for 2 years.

Note: All professionals working in or around trees are required by OSHA & MIOSHA to receive CPR/First Aid training. Standard requirements for tree care professionals not certified in line clearance are as follows: In the absence of a medical facility OSHA requires that there be at least 1 trained person (validated by a current certificate) per tree crew. In the case of certified line clearance tree workers, there must be a minimum of 2 trained persons per tree crew.
