

# C.A.R.T.S. 2010

**Certified Pesticide Applicator/Registered Technician Seminar**

**Attention Landscape & Green Industry Businesses:**

***Register Now and Beat the Spring Rush!***

The Michigan Green Industry Association, consulting with the Michigan Department of Agriculture, will be offering an intensive training program for individuals who want to become CERTIFIED APPLICATORS or REGISTERED TECHNICIANS or those wishing to GAIN RECERTIFICATION CREDITS.

## ***Follow These Easy Steps!***

***Become a certified pesticide applicator, registered technician or earn pesticide recertification credits. The Michigan Green Industry Association, consulting with the Michigan Department of Agriculture, will be offering an intensive 3-day training program.***

**Would you like to become a Registered Technician?** Attend this 3-day program (March 15, 16 & 17) covering a complete review of the new CORE manual, along with "hands-on" demonstrative training. To become a registered technician, your company must have a current "Trained Trainer" from the Michigan Department of Agriculture on staff. The CORE exam will be administered onsite by the Michigan Department of Agriculture in the afternoon of March 17.

**Would you like to become a Certified Applicator?** Attend this 3-day course (March 15, 16 & 17) that includes extensive review of the new CORE manual, along with demonstrative training and category specific training (3A, 3B and/or 6). The CORE & category exams will be administered onsite by the Michigan Department of Agriculture (MDA) in the afternoon of March 17.

**Are you Certified and Interested in Earning Recertification Credits?** Avoid taking the recertification exam every 3 years by earning credits for commercial/ Private CORE and categories (3A, 3B & 6). Certified applicators can earn CORE recertification credits on March 16 & 17. See schedule of awarded CEUs below.

### **TRAINING FEES:**
