Right-of-Way, Done Right

Thursday, September 17, 2020 (4:00 p.m. – 6:00 p.m.)
Speaker: Gary Eichen, PHC/Lawn Care Manager, SavATree
CEUs: 2-MDA (Commercial Core, 3A, 3B or 6)

Using non-selective herbicides requires training, practice and above all else, knowledge. In this class you will learn the proper method of applying non-selective herbicide (glyphosate) and the importance of the correct tip and the correct pressure. You will also learn the proper mixing ratios, correct application procedures, and certification requirements for residential, commercial and right-of-way properties. Lastly, you will gain a fact-based understanding about the current controversy surrounding glyphosate, and the alternative products that are coming on the market as a result.

Sponsored by: Banner Sales & Consulting
